

EMERGENCY REQUEST FOR TEXTME ACCOUNT INFORMATION DISCLOSURE

ATTENTION:

We are not able to perform GPS pings on cell phones. In most cases the only information we will be able to provide is an IP address. You must then contact the Internet service provider of the IP address in order to obtain more information. More information can be provided in response to a subpoena.

This process may only be invoked upon an emergency circumstance that risks the immediate threat of death or serious bodily injury to a natural person.

Instructions for completing this form:

1. You must provide a valid TextMe phone number.
2. You must provide complete information about the law enforcement requestor.
3. You must sign the certification section of the form.
4. Return completed forms to: emergency@go-text.me
5. Please complete the form legibly in order to ensure a speedy reply.
6. You must follow-up with a lawful court order for information disclosure within 48 hours to abuse@go-text.me

Thank you,
